

# How can I help improve my child's literacy?

---

1

## Turn On The Subtitles

When children watch TV or a device with the subtitles switched on, they can double their chance of leaving school a great reader.

the Subtitles**

2

## Don't stop reading to your child.

Reading to your child til the age of 13/14 still has huge benefits as it allows them to focus on the complex vocabulary and ideas in the story.

3

## For the reluctant reader - read anything!

Any form of reading in a topic they are interested in and in any format counts!

Did you know you can download lots of old comics for free at [www.digitalcomicmuseum.com](http://www.digitalcomicmuseum.com)?

4

## Try free electronic books from your Library service

Reading online can also offer you options to increase font size, change background colours - all of which can impact readability.

[www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) also has lots of free eBooks for children age 3 - 11.

## How about turning reading into a game?

NightZooKeeper.com keeps children interested using fun, engaging games and provides parents personalised reports on how it's going. Note; there's a monthly fee with this one though.
